

In The Presence of Positive Women

presents:

Girlfriends Positivity Weekend Retreat

November 15, 16 & 17

Transformation **Change your Thoughts...** **Change your Life...Change the World**

A weekend of discovery as we take time to ponder our lives, explore the paths we have taken and where those paths may lead us; contemplate how we (unknowingly) sabotage ourselves and begin to plot the course for new possibilities. Our time together will help you “Let go, Let God (Your Higher Power) and get out of your own way! We will create new ways of thinking, new ways of doing and new ways of living your life to the fullest. It’s time to live with Positivity, Possibilities, Purpose and Passion as we prosper like never before. As we change ourselves, we automatically change the world ...all for the better, of course!

After an almost 5 year hiatus...Our Weekend Retreats are back!
