Lunch With a Mission is BACK!!!

The Mission - to bring fabulous, positive women together to network, socialize and connect.

We embrace positivity and possibilities!

OK, I can't believe this, but we haven't had a "Mission" Lunch since 2009!
Holy Cow - time has flown!

In 2002 we at IPPW, developed one of the first of its kind - the positive women's networking lunch. From Concord NH to York, ME and lots of locations in between - we created some of the most memorable events.

Connections were made, people were infused with possibilities, purpose and prosperity ... plus a whole lot of laughter.

Why did we stop? I made the decision to transform my life, I needed to free up time to work on myself. Reluctantly, we decided to put "Lunch with A Mission" to bed, for a while. Then...life happened and I got caught up in my new existence (new husband, new life.) As time went on, more and more networking lunches were being formed outside of IPPW - I thought perhaps there was not a "need" anymore.

But, I was wrong. The need for women to gather in positivity is more important than ever. And as we rebuild

In The Presence of Positive Women,

stronger and stronger than ever before... well, ya know...we positive girlfriends just gotta get together more often!

Please join dear friend **Trudy Sutherland** (our co-host for the day) and myself

We've already have several girlfriends planning on coming, so be sure to preregister to ensure you have a seat. **Don't forget your business cards.**
