## Refocus Your Possibilities

### Women's Spiritual Weekend Retreat

April 26-28, Waterville Valley, NH

Hosted by IPPW leaders: **Vijaya Natarajan & Debby Hoffman Adair**

In a sometimes *not* so positive world, life can take its toll. Debby and Viju know that all too well. Raised in different corners of the world, they shared similar negative experiences, but also discovered secrets to transform their pasts. They changed the trajectory of their life into a force of positivity, altered their outlook and created lives of joy and purpose. It is time for them to share what they have learned.

Drawing on life lessons, they pooled their resources to create a women's retreat focused on seeing new life possibilities and making those sometime hard positive changes. Spiritual practices are the base for the weekend. They plan to take this program across the globe. Join them on their maiden voyage.

You are invited to their first spiritual weekend program with special introductory pricing.

We begin this **women only** retreat Friday night, April 26 and end Sunday, April 28th at 5 pm. Pricing includes two nights lodging (shared) all meals, workshops, material and plenty of quiet time to contemplate your new course of action. Limited to 5 participants, this promises to be a relaxing event to help you see new possibilities in your life and show you how to focus on creating a positive plan for your new life.

**Cost: IPPW Members: \$148 Non Members \$188**

50% non-refundable deposit is required to hold your space with the balance due April 26. For more information, call/text Debby at 603-731-0116 or email [Debby@DebbyAdair.com](mailto:Debby@DebbyAdair.com)
